Re: Automated Meter Read vs. Manual Meter Read

Find enclosed a new rate sheet for the Genesee County Water Supply System. The rate sheet will take effect on June 2, 2019.

Please note the only change is the addition of section I.B. Section I.B. will add a \$20.00 charge per manual read. This charge is to recover our cost to manually read meters that customers have refused to change over to the Automatic Meter Read System.

There are no changes in rates, only the addition of the charge.

THIS RATE INCREASE WILL BECOME EFFECTIVE ON ALL WATER BILLS ISSUED BY THE COUNTY AGENCY AFTER JUNE 2, 2018.

For those Communities that contract with the County Agency for billing, we need 20 days' notice of the local rate change. For the rate to be effective by July 2019 billing, we need notification by June 10, 2019. As always our office is available to assist you in adjusting your local water rates to cover this increase.

Should you have any questions or need further comments, do not hesitate to contact this office.

Sincerely,

A handwritten signature in black ink, appearing to read "John F. O'Brien".
