Find the help you need > water service payment assistance

Programs that pay all or a portion of the water service expenses of people whose water has been or is at risk of being shut off. Included are programs that provide assistance with combined water/sewer bills in communities where sewer payments are bundled with payments for water services. Water service payment assistance programs may have age, income, disability, need or other eligibility requirements.

6 Locations offering the requested services to residents of the 48433 postal code. Providers are listed by priority/proximity
