8527751	Outfall	Flint River	43.06713	-83.8622	4	Normal

Priorities were revised Feb 2024 for new permit cycle / IDEP.

Outfall # 8535751 owner has changed to GCDC and has been removed from this table.

Pursuant to the revised IDEP and discussions with EGLE staff, the following POD's have been removed and are being tested at the downstream outfall. If an Illicit discharge is found, upstream POD's will be tested as needed based on source tracking.
